

OINK! OINK! GET TO KNOW PIGS!

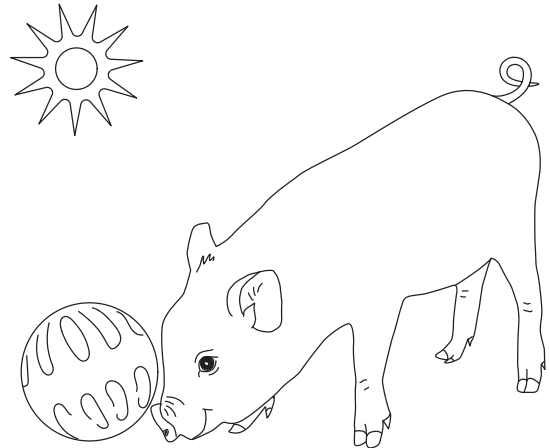

Name: _____

1

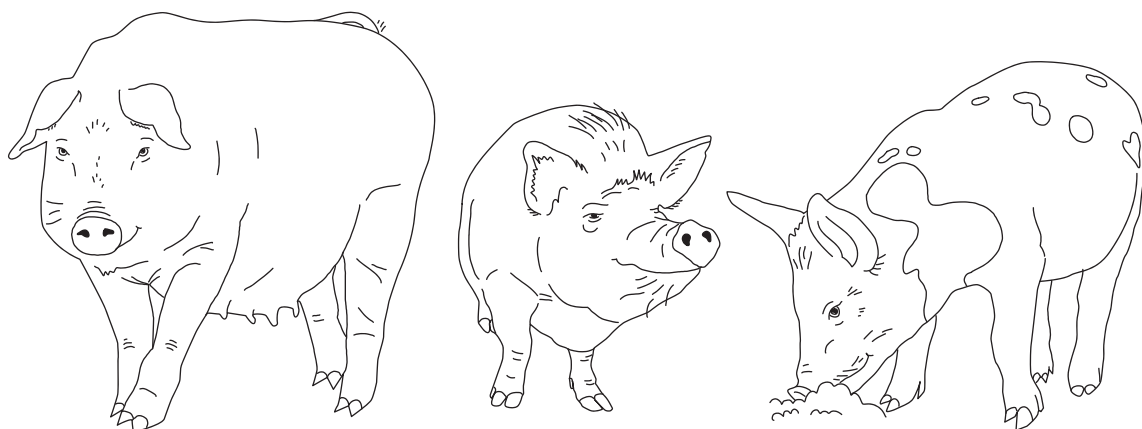

JUST LIKE US

Do you like to play outside in the sun? Do you like to explore?
Do you like to talk to your friends? Do you like to snuggle with
someone you love? Pigs like these things, too!

2

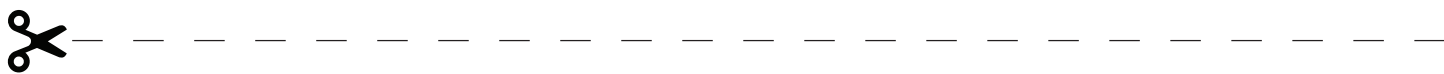

HOW PIGS LOOK AND MOVE

Pigs can look different. Some are big. Some are small. Some are pink, brown, or spotted.

Pigs dig with their noses. This is called **rooting**. They can smell things deep underground!

3

PIGS TALK AND PLAY

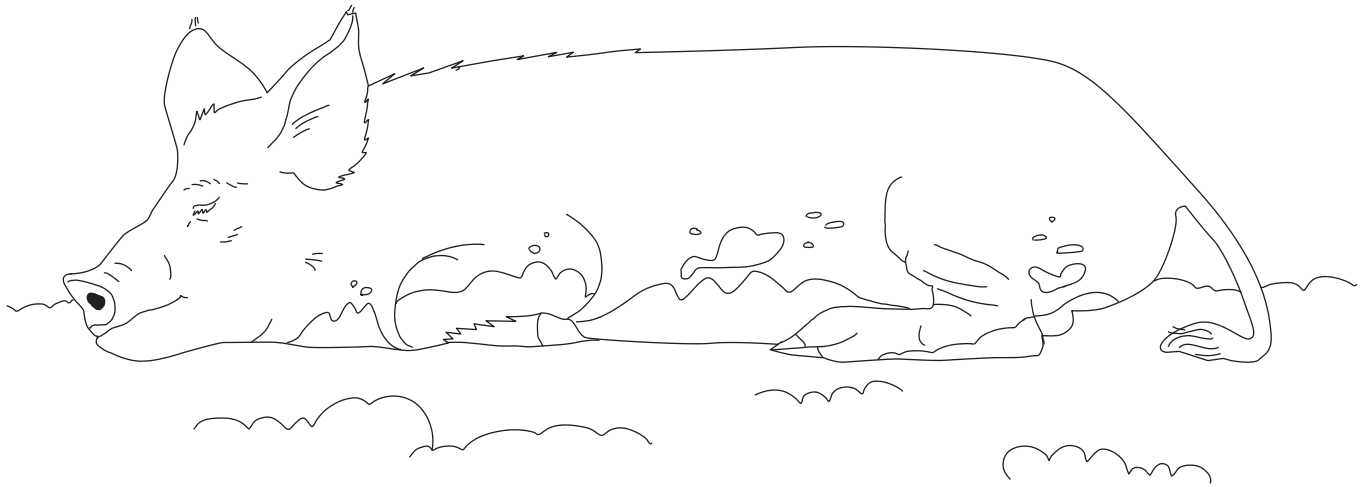

Pigs talk with grunts, squeals, and snorts. They use many sounds to share how they feel.

Pigs like to run, chase, and play with friends. They roll balls and listen to music. Some pigs can even play video games!

4

SPECIAL BATH FOR PIGS

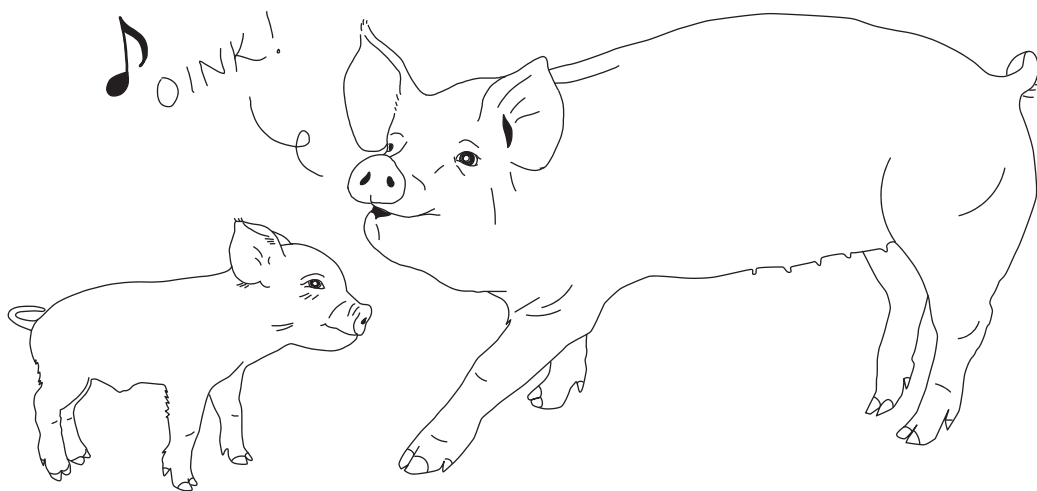

Pigs roll in mud like it is a bath. The mud helps keep them cool and safe from the hot sun. This is called **wallowing**.

5

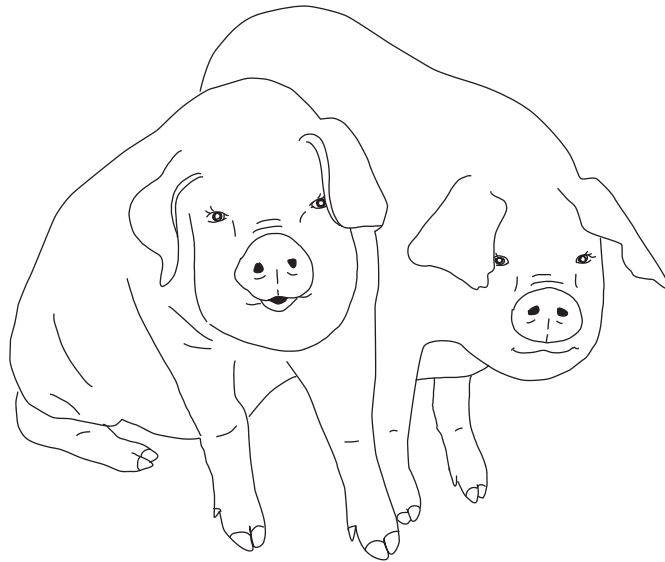

PIG FAMILY

Pigs love their babies, called **piglets**. Pig moms snuggle and sing to them. This helps piglets feel safe and loved. They learn to listen and stay close to their mom.

6

PIGS ARE KIND

Pigs are good friends. They care for each other and stay together. Pigs help each other when someone is hurt or scared. Some pigs have saved humans from danger.

7

MY FAVORITE THING ABOUT PIGS

Draw a pig doing something you learned about in this book.

Pigs can feel, play, learn, and love just like we do.

My favorite thing about pigs is _____.
